# AADHAAR DATA PROCESSING CENTER

## Monthly Compliance & Verification Report

Reporting Period: January - March 2024
Document Reference: ADPC/CR/2024/Q1-03

Regional Processing Center, Sector 62, Noida, Uttar Pradesh - 201301

CONFIDENTIAL - FOR INTERNAL USE ONLY

# 1. Operator Verification Records

This section provides verified identity records of all operators who performed Aadhaar enrollment and update operations during the reporting quarter. Each operator's biometric credentials have been re-verified against the Central Identities Data Repository (CIDR). Operators flagged during the quarterly audit are included with their current verification status and assigned remediation timelines.

Status: Active

## 2. Facility Infrastructure Assessment

The physical infrastructure of the Aadhaar Seva Kendra at Sector 62, Noida was inspected on 15th March 2024 as part of the routine quarterly compliance audit. The assessment covered workspace ergonomics, equipment condition, biometric device calibration, and overall facility readiness. Photographs taken during the inspection are documented below.

Fig 2.1: Workstation area at the enrollment hall. 48 operational stations verified with standardized seating and adequate spacing between operator desks.

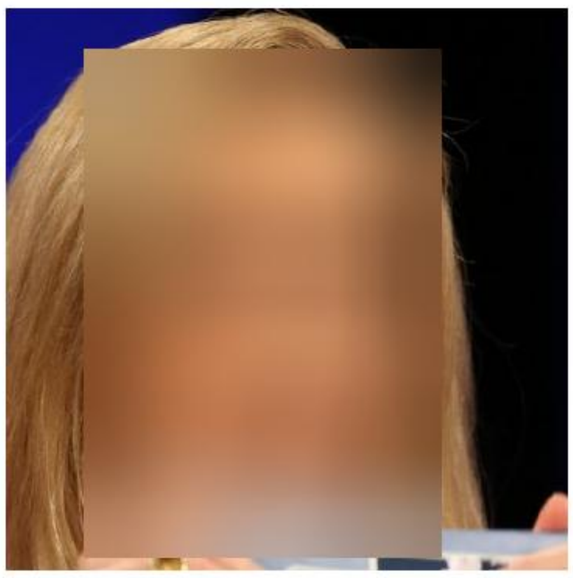
Fig 2.2: Document processing desk at the verification counter. Surface sanitization protocols observed. Biometric readers mounted at correct height per STQC guidelines.

Fig 2.3: Refreshment station in the operator break room. Hygiene compliance rated satisfactory. Disposable cup stocks verified against monthly inventory records.

# 3. Field Verification Report

During Q1 2024, the field verification team conducted 312 on-site identity confirmation visits across 8 districts of western Uttar Pradesh. These visits targeted senior citizens, differently-abled individuals, and residents of remote areas who were unable to visit the nearest Aadhaar Seva Kendra in person.

## 3.1 Aligarh District Drive



**Arjun Mehta**

Case Ref: FV-2024-NR-04521
Verification Officer: ADPC-2024-0267
Location: Community Health Center, Aligarh
Date: 18-Feb-2024
UIDs Processed: 34 | Sample Aadhaar: [redacted]
Outcome: 31 of 34 applicants verified successfully

Fig 3.1: Waterway access point near the verification site. Many applicants from riverine villages used boat transport to reach the enrollment center.

## 3.2 Mathura District Drive

**Sunita Devi**

Case Ref: FV-2024-NR-04587
Verification Officer: ADPC-2024-0334
Location: Panchayat Bhawan, Mathura
Date: 25-Feb-2024
UIDs Processed: 28 | Sample Aadhaar: [redacted]
Outcome: All 28 applicants verified

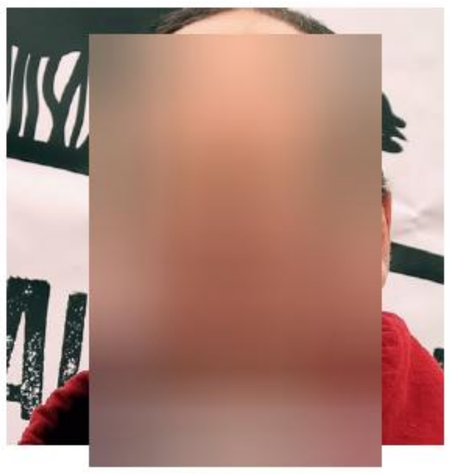


Fig 3.2: Field verification vehicle at the Panchayat Bhawan. Vehicle loaded with portable biometric kits and document scanners.

# 4. Transport Fleet Registry

The ADPC fleet of 12 vehicles supports field operations across the National Capital Region and adjoining districts. All vehicles are GPS-tracked and maintained per UIDAI fleet management guidelines. The following vehicles were audited during Q1 2024.

Fleet ID: ADPC-VH-023 Verification Van Route: Noida-Ghaziabad 48,923 km | Operational

Fleet ID: ADPC-VH-007 Mobile Enrollment Bus Route: Rural UP Circuit 72,105 km | Operational

Fleet ID: ADPC-VH-041 Last-mile Delivery Cycle Sector 62 Campus Status: Active

Fleet ID: ADPC-VH-035 Document Courier Bike Route: Noida-Delhi NCR 31,450 km | Maintenance

# 5. Biometric Station Audit & Facility Security

Biometric capture stations undergo monthly calibration checks. During the March 2024 audit, all iris scanners and fingerprint sensors were tested against STQC benchmarks. The facility security team, including the canine patrol unit, was also reviewed.

Fig 5.2: K-9 unit on patrol near document storage wing

## 5.1 Station Supervisor on Duty

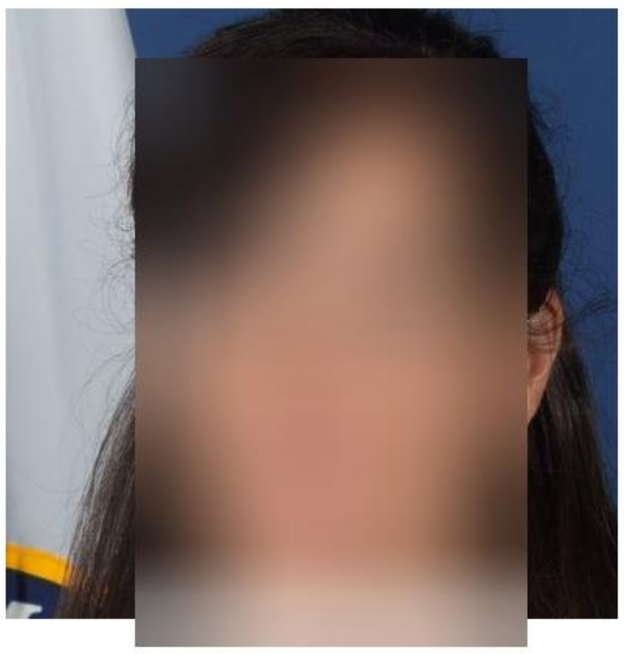
**Vikram Rathore**

Operator ID: ADPC-2024-0334
Designation: Station Supervisor
Shift: Morning (0600-1400 hrs)
UID Reference: [redacted]
Stations Supervised: B-01 through B-16
Calibration Sign-off: 14-Mar-2024

# 6. Personnel Quick-Reference Directory

Quick-reference directory of key personnel at the Regional Processing Center. Updated quarterly and distributed to section heads for inter-departmental coordination. Photographs are from the latest biometric verification cycle.

Sanjay Gupta ADPC-2024-0412 IT Support Lead



Kavitha Iyer ADPC-2024-0489 Grievance Officer

Mohammed Rashid ADPC-2024-0523 Logistics Manager

Lakshmi Devi ADPC-2024-0611 Public Relations

Harish C. Joshi ADPC-2024-0735 Security Head

Sneha Banerjee ADPC-2024-0867 Training Coordinator

# 7. Quarterly Summary & Compliance Status

The Q1 2024 compliance review indicates that the Regional Processing Center, Sector 62, Noida maintains adherence to 94.7% of UIDAI operational standards, reflecting an improvement of 2.3 percentage points over the previous quarter. The center successfully processed 142,847 enrollment requests during the period with a biometric capture success rate of 98.2%.

Three operators have been recommended for advanced training at the National Training Academy in Bengaluru. Two field vehicles (ADPC-VH-035 and ADPC-VH-019) have been flagged for replacement. The facility inspection revealed no critical non-conformances. Minor observations regarding workstation lighting in Bay 7 and cafeteria ventilation have been logged with a remediation deadline of 30-Apr-2024.

The security audit confirmed all access control systems, CCTV coverage, and document shredding protocols are functioning within prescribed parameters. Overall, the center demonstrates strong operational readiness for the anticipated enrollment surge in Q2 2024.
